

ADDRESSES FOR BARACK OBAMA IN A 50 STATE SEARCH

The following list is a state-by-state listing of addresses for Barack Obama and this will show with my accompanying search results from some of the expanded searches that were done on some addresses that were chosen at random by me that show the possibility of a voter fraud scheme during the 2008 Presidential election. The Phone numbers and the Street Names have been redacted for the protection of the individuals that are residing at these addresses. This search was solely done using Barack Obama' only. Now count the SSNs that Obama is using.

We will begin these searches using Barack Obama moving from West to East. Pay very close attention to the dates when Obama was supposedly associated with these addresses.

This is insane. Look at the name that is associated with the SSN that Obama is using as well.

I had to expand this search for the address 123 Washington Ave., Bay Shore, NY 11706 and this is what Pulled up for me. Yes the Obama's have two new SSN numbers but their names and new SSN numbers are connected to an address in Long Island, NY

Multiple search using Barack and Michelle Obama, yielded this result for New York. Note the different new SSN numbers *Note the SSN's and the dates.*

ME.

No address is listed for Barack Obama.

As noted by these documents there are 58 known addresses that have been connected to Barack Obama both prior to and after the 2008 Presidential election. Furthermore, in some randomly pulled addresses I clearly showed abnormalities as it pertains to fictitious names also associated to the addresses pulled for this report which are associated to Barack Obama showing possible evidence of Voter Fraud in the 2008 Presidential election.

This report also clearly shows that there are many new SSN associated to Barack Obama with no clear understanding as to why/how he has had access to these numbers and why and for what purpose he was using these numbers.

A similar search will be conducted for Michelle Obama using the same technique as was used in gathering the information for this report for Barak Obama.
