

TAX FRAUD EVIDENCE ON 5046 S GREENWOOD AVE

We will start this journey with the latest PIN # for 5046 S Greenwood Ave which is 20-11-115-037-0000. Now once again as noted by the CCRD PIN # 20-11-115-037-0000 does not exist. When I keyed in that PIN # at www.ccrd.info this was my result yet again as of 05/22/2011: **No record found for this criteria or your search has timed out, please narrow down your search criteria and try again** [Click here to go back](#).

As per my "National Property Search" which was completed on 03/14/2011 Harvey Wineberg was listed as the owner of PIN # 20-11-115-037-0000 as of tax year 2010. Now one could say that there could have been a clerical error creating an erroneous notation, however, why would an erroneous notation remain on file for six years.

On April 20th of this year WND reported, "The 2009 records show Wineberg paid taxes on the property totaling **\$25,742.31**, paid in two installments of **\$12,351.04** and **\$13,391.27**."

Wineberg told WND in a telephone interview that he simply pays the tax bills he receives on the Obama property. He said he has no idea whether others are paying taxes on the property or whether the amounts he is paying agree with the amounts Obama reports on his personal IRS income-tax filings.

Note that the PIN associated with Wineberg's ownership, 20-11-115-037-0000, is different than Stuart's."

The following two pages will show and I will also describe the anomalies that I discovered in connection as to what is recorded with the Treasurer's Office in Cook County and use that evidence against what I consider to be an ambiguous anomaly against Obama's taxes for 2009.

The first graphic on page (2) is what the Cook County Treasurer's results are when PIN # 20-11-115-037-0000 is used for information on the taxes paid for said PIN #. Please note that neither the Obama's, William Miceli, nor the Northern Trust Co. Trust # 10209 are mentioned as the "property tax payer's" of 5046 S Greenwood Ave., Chicago, IL 60615. When I asked my contact at the Assessor's office about this she said, "That he could either be the owner or just the individual who is paying the taxes on the property". Now when she said that she could not tell with any clarity if he was the owner, I asked her why, she then referred me to the CCRD. It was the CCRD who told me that PIN # 20-11-115-037-0000 does not exist as per their records.

On pages (3, 4) is the information from the Cook County Assessor's Office as it Pertains to PIN # 20-11-115-037-0000.

This is what we know so far:

1. Barack and Michelle Obama do not own 5046 S Greenwood Ave., Chicago, IL 60615. The house is actually owned by The Northern Trust Co. Trust # 10209, a trust that the Obama's did not create as a private trust to purchase the home.
2. Currently, Willaim Miceli is not the owner as well even though it has been reported to be so. However, as per a 2005 assessment for the 06/2005 sale of 5046 S Greenwood Ave he was listed as the owner / purchaser.
3. PIN # 20-11-115-037-0000 does not exist at the CCRD and with no explanation as to why.
4. PIN # 20-11-115-037-0000, however, does exist at the Cook County Treasurer's Office as of 05/22/2011
5. PIN # 20-11-115-037-0000, however, does exist at the Cook County Assessor's Office as of 05/22/2011

How many layers / **RED FLAGS** so far?

Now let us discuss the Obama's 2009 and 2010 Taxes (which will be included in my blog as "PDFs") as they pertain to the "property taxes The Obama's claimed for their home. Pages 5 will show certain discrepancies that I view as more ambiguous anomalies that need to be explained. The graphics on page 5 are going to be from the Obama's "2009 1040 U.S. Individual Income Tax Return" Page 3, line 6. The second graphic is going to be from the Obama's "Illinois Department of Revenue 2009 Schedule ICR" page 57, Section A, line 4a. On line 4a you will notice that the PIN # for the home that they are claiming has been redacted. The third graphic is from their Federal Income Tax Return Line 6 Schedule A, Itemized Deductions. See how convoluted all this is.

Please not who one of the partners in the firm which did the Obama's taxes for 2009 and 2010.

---	--------------------------------------	---	---------

\$25,742 as noted on their 2010 Federal Income Tax Return.

Note that on his 2010 IL Tax Return the property tax information in not included. Why? Is it because they would have to redact the same information as they did in 2009?

Now how many layers have we gone over today? The answer is six and that is just on the Obama's taxes alone. Now remember that we are all innocent until proven guilty. Can anyone explain to me my mistakes if any?

Q: Why are the Obama's not listed as the owners or taxpayers for 5046 S Greenwood Ave?

Q: Why is Trust # 10209 not listed at the owner or taxpayer for 5046 S Greenwood Ave?

Q: If there is a clerical error why has it not been addressed for six years?

Q: Why was the PIN # redacted on Obama's 2009 IL tax return?

Q: Why is the Obama's real estate taxes not listed on their 2010 IL tax return? Is it because they would have to redact the PIN # again as they did in 2009?
